EETNS had a great celebration for St. Patrick's Day. We held a whole school parade where we celebrated all our nationalities. We also held an active schools Ceili where the whole school learned the Siege of Ennis and performed it after the parade. We had lots of laughs and really enjoyed ourselves. We also had a visit from Paddy the leprechaun and Mickey / Minnie Mouse who took part in both the parade and the Ceili. Everyone wore green and we had so much fun. We ended our St. Patrick's celebrations by having hot chocolate and pancakes!! Yummy

### Covid Awareness:

Thank you for your continued cooperation in relation to Covid-19 measures in the school. Staff and children are no longer required to wear face coverings in school, but they can continue to do so if they wish. We ask that all staff and children continue to use good infection prevention measures to keep everyone safe. We remind you to keep your child at home if they have any symptoms relating to Covid 19. They must not return to school until 48 hours after their symptoms have passed. As always, we advise you to take advice from your GP in relation to testing and isolation.

Our main aim is to keep everyone safe and we thank all our families for their support in keeping our school safe for everyone.

### Condolences:

The Board of Management would like to offer their condolences to Tricia O Cualain on the recent passing of her mother in law, her aunt and her brother in law. May they rest in peace.

## Holly Class:

Holly Class have had a very busy month. We are learning all about lifecycles and mini beasts. We have set up a Science Lab full of mini beasts. The whole school celebrated St Patricks Day and took part in a school parade. We hope you enjoyed watching the video. There were lots of birthdays to celebrate too. Happy Birthday to all. All children have taken part in our Spring Clean Up at school. We used all the garden tools available and our yard is starting to look very well indeed. We have enjoyed the sunshine this week too and have spent a lot of time outdoors playing and working and going on Spring & Mini Beasts Hunts.

## Rowan Class:

In Rowan Class we have been learning about lots of interesting topics this month. We are producing information texts about food and biodiversity. The children also designed posters teaching children what to do if they have been bullied online. We designed cityscapes using printing techniques in art.

# A LEARNING ADVENTURE

## Oak Class:

Over the past month 5th and 6th have been busy learning all about the solar system. We have explored how the solar system was created, examined the role of the sun and how it creates energy and looked at the Milky Way.

More recently, the class examined and created their own constellations and also learned about solar and lunar eclipses. In the past week, in pairs we have just commenced creating our very own travel brochures for each planet. Of course last Friday we had to take a breakfast from the solar system and make some very special cards for our Mums!

## Cherry Blossom Room:

Cherry Blossom room have been busy making beautiful Mother's Day cards to celebrate the special women in our lives. There were some very touching conversations going on between the children on how much their Mums mean to them. Very lovely to be a part of these conversations!!

## Easter Greetings:

We wish all our families and staff an enjoyable break for the next two weeks. Keep an eye out for any bunnies lurking around your gardens over the weekend!! See you all on April 25th.
