## BOM Agreed Report June 22<sup>th</sup> 2022

A recent highlight in our school was a very successful 'Celebration Day' held on June 10<sup>th</sup>. There was a flag raising ceremony followed by music and singing performed by the children and the local Men's Shed. We are looking forward to a display of sunflowers in September courtesy of the men's shed and councillor Pat Daly. It was lovely to see parents mingling and enjoying refreshments. Many activities were organised for the children including face painting and jewellery making. Many thanks to the chief organisers and the staff for helping out on the day. The event was attended by Pat Daly and Leas Cathaoirleach of Clare County Council, Ann Norton. Don't forget to check the Clare Echo and the Clare Champion for lovely articles and photos.

The parents attended a number of events held recently at the school: Induction Day for new infants, Afternoon Tea in the Assisted Learning Classes and Sixth Class Graduation Day.

Our pupils have been busy attending their school tours. Junior and seniors went to Lahinch and Moher Hill Farm. First and second went to the Ennis Gymnastics Club and had McFlurrys! Third and fourth went to Lahinch and to the Cliffs of Moher. Fifth and sixth went surfing in Lahinch. There will be summer provision for two ASD classes. Fleadh an Chláir took place recently with Comhaltas availing of some rooms in the school.

Active Schools Week (June 13<sup>th</sup>-17<sup>th</sup>) was very enjoyable with coaches from Clare GAA, Banner GAA, Clare Comets Basketball Club and Ennis Hockey Club all sharing their expertise with our pupils. The week culminated in a fantastic sports day and a 6<sup>th</sup> class versus staff basketball match, with the staff eclipsing the pupils by a whisker!

The board of management would like to thank all the staff for their great work this year and especially for responding so enthusiastically to evolving needs. The board wishes everyone a restful, happy summer.
