## **BOM Agreed Report December 16<sup>th</sup> 2020**

The board of management are delighted that the new fencing is now complete making our school safe and secure. An automated locking system is in place with familiar adults and guests welcomed.

We appreciate how parents and pupils are continuing to co-operate with the Covid Measures. We would like to remind parents to wear masks and that smoking is not permitted on school grounds.

Teaching and learning continues with many interesting activities.

Our playground is a hive of activity as we journey towards our Active Flag.. The children are really enjoying our assemblies conducted via Zoom on the last Friday of the month. Pupils can sing a song, do a dance, show their learning and clap for all those celebrating a birthday!

The Nurture Class held a very successful Winter Fair today. The school was successful in applying for further Nurture training and support. There will be a Puppet Show for all pupils on December 17<sup>th</sup>. Christmas Dinners will take place on December 18<sup>th</sup>.

Don't forget to check out the 'Monthly Memoirs' which the school emails to every family at the end of the month.

The Child Protection Statement and Risk Assessment were reviewed and adopted for the school year 2020/'21.

Finally, the board would like to thank the staff for all their hard work and commitment during this term.

Wishing all in our school community a happy, restful holiday.
