BOM Agreed Report May 26th 2022

The school looks forward to the final two months of the school year with many exciting upcoming events!

Firstly, we would like to welcome four new substitute staff who are supporting our new enrolments. Many thanks to our parents for your support with our new morning arrangements. It is lovely to see the children socialising on the yard before starting their lessons.

The children and staff enjoyed a Scavenger Hunt as part of the Easer Fun Day activities. Thanks to Dunnes Stores who sponsored a €200 voucher and to ALDI who sponsored 27 easier eggs for our new families.

Homework Club has finished for this school year. A big thank you to CLDC (Clare Local Development Committee) and to Denise, Liliana and Mary who ran the club. The Public Health Nurse will be visiting the school on Monday, May 30th to complete vision and hearing checks.

Standardised tests in Literacy and Numeracy will take place in May. The end of year report cards will be sent to parents before the end of June. There will be an induction day for new infants and their parents on June 22nd.

School tours are being planned by class teachers. A DES inspector visited recently and was happy with everything. The Administration of Medicine Policy and the Intimate Care Policy were ratified at this board meeting.

The board would like to send its condolences to the Molloy family on the death of Paddy Hutchinson.

Please see a list below of upcoming school events:

June 1st 6th class pupils will visit the Ennis Community College

June 13th-17th Active School Week

June 15th Sports Day (if wet it will take place on the 16th)

June 22nd Infant Induction Day

June 28th Graduation Day

Finally, a day of celebrations will take place on June 10th at 12pm. All parents are invited and we will have a flag raising ceremony, activities, refreshments etc. The children are busy preparing a song for all our visitors. The school grounds are looking beautiful, many thanks to the pupils and to the Men's Shed who have completed a beautiful project with over 100 sunflowers planted, one for every pupil in the school!!
